TASMANIAN NURSES AND MIDWIVES

Nurses and Midwives Agreement

EA Update 11

As members are no doubt aware, negotiations with Government representatives are basically at a standstill.

Some background work is being undertaken but **NO OFFER** (for pay, or in response to various claims in your log) has been put forward.

The Government continues to stand by their 2% wage policy.

If Nurses and Midwives want to change the mind of the Government, it is important that you **PARTICIPATE** in Rallies and Industrial Action.

The following mass meetings are scheduled:

NWRH 13 November - Admin Meeting Room - 1430 -1530 hours

LGH 15 November - Lecture Theatre - 1500-1530 hours

MCH 19 November - Classroom -1430-1530 hours

RHH 3 December - Keith Millengen Lecture theatre - 1430 – 1530 hours

At these meetings further resolutions will be considered as part of increased industrial action. Suggestions from members include a ban on overtime and double shifts as a rolling 24-hour action across sites; and Friday's – wear Purple to show your support for a competitive EA package for Nurses and Midwives.

In addition, community rallies are scheduled across the state. Invite family and friends to attend to show their support for an improved salary so that we can Retain. Recruit. Recognise. Nurses and Midwives for Tasmania and Tasmanians. If people are not able to join on the walk, we look forward to seeing them at the walk endpoint.

LGH Saturday (this week) 17 November 12:30 hours meet at the Charles Street Entrance, LGH to walk to Civic Square
