

# Calvary Health Care Tasmania Nursing Staff Enterprise Agreements

## EA Update 1

The employer has cancelled the bargaining meeting scheduled for 6 August 2019 because it is not yet ready to respond to the ANMF's log of claims.

The ANMF is very concerned about continued delays in the bargaining process and has written to the employer asking for a bargaining meeting to be held in the first week of September. The ANMF has also asked the employer to confirm that wage increases will be backpaid to the first full pay period on or after 1 July 2019.

The ANMF will update members when the employer has responded to the ANMF's concerns.
