The Eye Hospital Nurses Enterprise Agreement

EA Update 7

As you are aware, the *Eye Hospital Nurses Enterprise Agreement 2020* has been lodged with the Fair Work Commission (FWC) for approval. On Thursday 4 June 2020 the FWC requested further information from your employer in relation to a number of issues. The FWC required the information be provided by the close of business on 4 June 2020.

Your employer has requested and been granted an extension to provide a response to the FWC request for further information until 5pm, Friday 12 June 2020.

The Australian Nursing and Midwifery Federation Tasmanian Branch (ANMF) will then consider the information provided by your employer and respond by 5pm, on Monday 15 June 2020.

The ANMF is disappointed by the further delay caused by your employer and its appointed bargaining agent in the approval process.
