Hobart Private and St. Helen's Hospitals

ANMF Visits and EA Update

The Australian Nursing and Midwifery Federation Tasmanian Branch (ANMF) advises members that, due to the current public health orders, we are currently unable to visit on site. However, the ANMF are still able to hold zoom meetings or meet members off site. If you would like to have a meeting contact member support membersupport@anmftas.org.au or your organiser Jane Pond jane.pond@anmftas.org.au.

The ANMF are still waiting for a response from Healthscope regarding a plan to put the Enterprise Agreement out to ballot. 80% of members participating in the online survey directed the ANMF to offer support of voting for the agreement. The ANMF requested that Healthscope prepare the ballot early for the New Year so that the proposed pay rises, and backpay, can be passed on to members. The ANMF will contact members with details of the ballot, and the changes in the new draft agreement as soon as Healthscope make the details available.

The ANMF is aware members are working in difficult circumstances made more apparent by the Omicron COVID -19 variant and thank members for all their hard work. Members are reminded to contact the ANMF with any work-related issues and that they can also access Nurses and Midwives support by calling 1800 667 877 (this is a free service available 24/7) as well as your hospital's EAP.

The ANMF Tasmanian Branch is 8000 plus members strong! Supporting nurses, midwives, and care workers as the only union in Tasmania employing nurses and care workers to represent members. This is

why our Organisers and Member Support Team are uniquely positioned to understand your experiences, represent you in your workplace, and offer industrial advice that's relevant to you.

If you have any queries, please do not hesitate to contact our Member Support Team via email on membersupport@anmftas.org.au. Email is the preferred and fastest way of contacting the team. Alternatively, you can phone (03) 6223 6777.
