

ANMF EA UPDATE 12

REGIS AGED CARE

Members Vote No!

The Australian Nursing and Midwifery Federation Tasmanian Branch (ANMF) has been notified by Regis that the Enterprise Agreement Vote was a **NO** vote in the recent ballot. The ANMF congratulates members on making a stand on an unfair offer by Regis.

The ANMF has requested that Regis recommence negotiations immediately for the ANMF to continue to negotiate towards a better agreement for all members.

The ANMF will be organising member meetings to talk to members about the next steps which can include members taking Industrial Action via a Protected Action Ballot (PAB). Please continue to check your inboxes for details.

The ANMF will discuss the PAB at these member meetings and via updates.

If you would like any further information regarding this update, please contact Southern Organiser Jane Pond at Jane.Pond@anmftas.org.au.

The ANMF Tasmanian Branch is 8000 plus members strong! Supporting nurses, midwives, and care workers as the only union in Tasmania employing nurses and care workers to represent members. This is why our Organisers and Member Support Team are uniquely positioned to understand your experiences, represent you in your workplace, and offer industrial advice that's relevant to you.
