

ANMF EA UPDATE 23

Health Care - North West Private Hospital Negotiations Update

Your Australian Nursing and Midwifery Federation Tasmanian Branch (ANMF) organiser will be onsite at 1400hrs on **Wednesday 29 January 2025** to seek members' views regarding the latest offer. All members are encouraged to attend.

Health Care management have clarified that under its revised workload management offer, the theatre nurse unit manager's hours will all be counted as management hours.

Since staff voted to reject the proposal that went to a vote in October 2024, management have:

- revised Appendix B - Principle of Workload Management; and
- offered a new classification for specialist enrolled nurses.

The ANMF is seeking feedback from members on the latest offer.

You can find an overall summary of negotiations, including what the proposed Principle of Workload Management will mean [here](#).

Please attend our members meeting on **Wednesday 29 January 2025** if you are available.

The ANMF Tasmanian Branch is 8000 plus members strong! Supporting nurses, midwives, and care workers as the only union in Tasmania employing nurses and care workers to represent members. This is why our Organisers and Member Support Team are uniquely positioned to understand your experiences, represent you in your workplace, and offer industrial advice that's relevant to you.
