

ANMF EA UPDATE 4

Medea Park General Staff

Further to our update of Thursday 1 May 2025, the Medea Park General Employees Enterprise Agreement 2024 is currently before the Fair Work Commission (FWC) for approval.

Medea Park management filed the agreement with the FWC for approval on Wednesday 7 May 2025.

On Wednesday 14 May 2025 the FWC asked the employer to respond to certain issues. The representative for Medea Park informed the FWC that the Human Resources (HR) manager is unwell and would require until Friday 23 May 2025 to respond.

The FWC therefore granted Medea Park until Friday 23 May 2025 to respond to the issues.

We will consider the employer's response to the issues raised by the FWC.

As previously reported, the Enterprise Agreement (EA) would provide wage rates inclusive of the foul and nauseous linen allowance from commencement and wage increases of 3% from the first full pay period on or after 1 July 2025, and 1 July 2026.
