# Mersey Community Hospital Theatre & Day Surgery Unit Update

**The Australian Nursing and Midwifery Federation Tasmanian Branch (ANMF)** attended a meeting with management at the **Mersey Community Hospital (MCH)** to discuss the recent changes to shift times that were implemented without appropriate consultation and other ongoing concerns raised by members in **Theatres and Day Surgery Unit (DSU)**.

A member meeting will be scheduled shortly to provide an update on the outcomes of the meeting and to seek your feedback.

If you have further concerns or wish to provide feedback, please contact your **ANMF Northern Organiser Kristy Free** via email [Kristy.Free@anmftas.org.au](mailto:Kristy.Free@anmftas.org.au) or the **Member Support Team** via email [MemberSupport@anmftas.org.au](mailto:MemberSupport@anmftas.org.au).

**The ANMF Tasmanian Branch is 8000 plus members strong! Supporting nurses, midwives, and care workers as the only union in Tasmania employing nurses, midwives and care workers to represent members. This is why our Organisers and Member Support Team are uniquely positioned to understand your experiences, represent you in your workplace, and offer industrial advice that's relevant to you.**
