

ANMF EA UPDATE 7

Meercroft Care Inc

Enterprise Agreement Bargaining Update

- Negotiations for the new Meercroft Care Inc. Enterprise Agreement (EA) are underway, with parties on track to commit to regular bargaining meetings.
- We expressed dissatisfaction with the information provided in your employer's most recent payroll audit. We requested a second audit be conducted with a larger sample size that is more representative of the Meercroft Care staff.
- Your employer has confirmed they will undertake a further **payroll audit** with a larger sample size, with a commitment that this audit be **completed by Friday 15 August 2025**.
- We have agreed for wages to be the subject of discussions once we have ascertained that there are no payroll issues which may impact employees later.
- Our next meeting with Meercroft Care Inc. is scheduled for **Monday 11 August 2025** and we look forward to continuing positive discussions with your Employer.

Regular updates in relation to the bargaining process will be provided to keep you informed on the progress of negotiations for your new EA.

Remember: Only ANMF members will have a vote to determine the direction of the new EA. Without your collective support and agreement, a new EA cannot be resolved.
