Healthscope Update on Sale Process

The Australian Nursing and Midwifery Federation Tasmanian Branch (ANMF) wants to keep you informed about recent developments regarding the sale of Healthscope hospitals. Over the weekend, the Receivers advised that they will be entering **exclusivity arrangements** with bidders for four hospitals:

- **National Capital**
- **Hobart**
- **Holmesglen**
- **Gold Coast.**

This means the Receivers will progress towards selling these hospitals exclusively to the identified bidders.

While this is disappointing news, the Receivers have confirmed that the **For purpose proposal remains under active consideration**. The bidders involved are credible, and any transition to new owners will take several months to complete.

Please note:

- There are **no immediate changes** for staff, doctors, or patients at these hospitals.

We understand this is a challenging time, and we encourage members to support colleagues at the affected hospitals. The ANMF remains committed to keeping you updated as the process unfolds.

Stay united. Stay informed. Your union is here for you.
