Peacock 3 – Repat Members Benchmarking Proposal – Endorsed by Members

The Australian Nursing and Midwifery Federation Tasmanian Branch (ANMF) advises P3 members that the recent benchmarking proposal has been accepted by a majority of members.

Following the close of the member ballot, the ANMF has formally advised management that the benchmarking proposal has been endorsed by ANMF members.

The ANMF thanks members for their engagement in the consultation process and for taking the time to consider and vote on the proposal. Member participation is important in ensuring members' views are represented.

For any questions or further information, please contact your ANMF organiser or workplace representative.

In solidarity,
