

ANMF EA UPDATE 1

Tandara Lodge Community Care Inc Enterprise Agreement Bargaining to Commence Soon!

The Australian Nursing and Midwifery Federation Tasmanian Branch (ANMF) bargaining team is preparing to commence negotiations for your replacement Enterprise Agreements (EAs) with Tandara Lodge Community Care Inc. These include the **Tandara Lodge Community Care Inc. General Staff Enterprise Agreement 2024** and the **Tandara Lodge Community Care Inc. Nursing Enterprise Agreement 2024** (collectively, the Agreements).

As we begin this bargaining round, it is critical that member priorities shape our Log of Claims (LoC).

Recently, the ANMF met with members to hear directly about the issues that matter most in your workplace. Your feedback has informed the development of a bargaining survey to capture the claims you want to see advanced in your replacement EA.

Have your say via the QR code below:

All members are encouraged to complete the survey and identify your priorities for wages, allowances, workload, rostering, leave and other key conditions. Your responses will directly shape the ANMF LoC and strengthen our position at the bargaining table.

The ANMF Tasmanian Branch is 8000 plus members strong! Supporting nurses, midwives, and care workers as the only union in Tasmania employing nurses and care workers to represent members. This is why our Organisers and Member Support Team are uniquely positioned to understand your experiences, represent you in your workplace, and offer industrial advice that's relevant to you.
