Log of Claims Survey Update

We are re-sending the Public Sector (PS) Log of Claims (LoC) survey to members to ensure everyone has the opportunity to have their say.

It was brought to our attention that some members did not receive the original survey. To address this, the survey will be re-issued via Vero, and members are asked to please keep an eye out for the survey link, which may arrive by SMS or email.

Important information:

- Each member will only be able to vote once.
- If you have already completed the survey, we are sorry, we have captured your comments, but we are unable count your vote, please vote again

Your participation is vital — this survey helps inform the ANMF's advocacy and bargaining priorities on behalf of PS members.
