

ANMF EA UPDATE 12

Celebrate Health Narrow Yes Vote

Celebrate Health management has informed the Australian Nursing and Midwifery Federation Tasmanian Branch (ANMF) that a narrow majority of staff have noted Yes to the proposed agreement.

Celebrate Health management has provided the following information:

- 58% of eligible staff participated in the ballot.
- 51.6 % of respondents voted Yes.

While a large proportion of staff clearly remained uninspired by the offer, the level of support is sufficient for the agreement to be validly made.

We expect Celebrate Health will next proceed to lodge the agreement with the Fair Work Commission (FWC) for approval. The agreement will take effect 7 days after it is approved by the FWC.

We will keep you updated on the FWC approval process.

The ANMF Tasmanian Branch is 8000 plus members strong! Supporting nurses, midwives, and care workers as the only union in Tasmania employing nurses and care workers to represent members. This is why our Organisers and Member Support Team are uniquely positioned to understand your experiences, represent you in your workplace, and offer industrial advice that's relevant to you.
