

ANMF EA UPDATE 2

BaptistCare

Bargaining Is About to Begin – Endorse Your Log of Claims

The Australian Nursing and Midwifery Federation Tasmanian Branch (ANMF) is preparing to formally commence negotiations with BaptistCare Ltd (**your Employer**) for your replacement Enterprise Agreement (EA).

This new agreement will set your future wages, allowances and working conditions — locking in your entitlements for the next few years of the Agreement’s operation.

Over recent weeks, members told us clearly what matters most. Your feedback through the ANMF member survey has now been translated into a draft Log of Claims (LoC) — the document that will drive our bargaining agenda at the table.

This is your opportunity to confirm that we are advancing the right priorities.

Have Your Say

We are seeking member endorsement of the LoC before it is formally served on the Employer.
