

ANMF EA UPDATE 29

Corumbene

Narrow No Vote on General Agreement

Corumbene management has informed the Australian Nursing and Midwifery Federation Tasmanian Branch (ANMF) that a razor thin majority of voters rejected the proposed General Agreement.

General Agreement Results

Corumbene management has informed the ANMF that:

- 79 employees participated in the ballot, representing approximately 70.5% of eligible employees.
- 40 voted No; and,
- 39 voted Yes.

This result means that bargaining will continue for the General Agreement.

The ANMF will be conferring with care worker members as to next steps and the key priorities we will take to future bargaining meetings.

Nurses Agreement Results

The proposed Nurses Agreement received a decisive Yes vote.

Corumbene management has informed the ANMF that:

- 18 employees participated in the ballot, representing approximately 70% of eligible employees.
- 16 voted Yes; and,
- 2 voted No.

Corumbene management will proceed to provide nurses with the benefits of the agreement. As per its previous commitment, Corumbene management will do this without waiting for formal Fair Work Commission (FWC) approval.
