## Southern Cross Care

### FAIR PAY FOR NURSES AND CARE STAFF

## Be protected! Join ANMF now.

Congratulations to ANMF members who are now protected under law, to take industrial action to further their claim for a fair deal from Southern Cross Care.

It is clear from the protected action ballot results that members feel very strongly about this issue and do not believe they are being treated fairly by their employer.

ANMF has notified SCC management that low level action will be commencing at 0700 hours on Wednesday 9 August across all sites. Badges will be available for staff to wear. As determined by members other actions may be scheduled. ANMF have to give the employer 3 days written notice of any further industrial action.

With SCC announcing their successful financial position and allocating \$24 million further to cash reserves, they need to start rewarding the SCC staff for their hard work!
