

TASMANIAN aged care CONFERENCE 2020

The theme for this year's conference is Reshaping the 'Care' in Aged Care. This will be a fantastic day of learning for those involved in the provision of healthcare to the elderly.

Sarah Bolt

As the Tasmanian Anti-Discrimination Commissioner, this makes Sarah perfectly placed to discuss how to understand and recognise discrimination, particularly towards the elderly and vulnerable in our community.

Dr Drew Dwyer

Dr Drew is a dynamic and passionate aged and community care consultant.

He has over 25 years experience as a nurse, leader and educator. He is currently the Principal Consultant in Gerontology, Disabilities and Community Services for Frontline Care Solutions.

Sarah Holland-Batt

Associate Professor Sarah Holland-Batt is an award winning poet, editor and critic. In 2019 she was a witness at the Royal Commission into Aged Care Quality and Safety.

She is an advocate for aged care reform to ensure dignity for all elder Australians.
