

# TASMANIAN aged care CONFERENCE 2021

The theme for this year's conference is Reshaping the 'Care' in Aged Care. This will be a fantastic day of learning for those involved in the provision of healthcare to the elderly.

## Sarah Bolt

Sarah Bolt's career has been marked by change and diversity. Today she is Tasmania's Anti-Discrimination Commissioner. This makes Sarah perfectly placed to discuss how to understand and recognise discrimination, particularly towards the elderly and vulnerable in our community. As well as how and when to report concerns within this space.

## Sarah Holland-Batt

Associate Professor Sarah Holland-Batt is an award winning poet, editor and critic. Following her own harrowing experience dealing with aged care, in 2019 she was a witness at the Royal Commission into Aged Care Quality and Safety. She is an advocate for aged care reform to ensure dignity for all elder Australians and is a welcome addition to the conference lineup.
