

## ANMF NEWSFLASH

### North West Private Hospital

The Australian Nursing and Midwifery Federation Tasmanian Branch (ANMF) met with members at North West Private Hospital (NWPB) on 10 June.

Members raised workload and patient safety concerns which have now been formally raised with Health Care NWPB management. To date a response has not been received. The ANMF, on behalf of members, will continue to pursue this matter.

A member meeting will be organised to seek members' clarification and future direction.

**The ANMF continues to support nurses, midwives, and care workers as the only union in Tasmania employing nurses and care workers to represent members. This is why our Organisers and Member Support Team are uniquely positioned to understand your experiences, represent you in your workplace, and offer industrial advice that's relevant to you.**

If you have any queries, please do not hesitate to contact our Member Support Team via email on [membersupport@anmftas.org.au](mailto:membersupport@anmftas.org.au). Email is the preferred and fastest way of contacting the team. Alternatively, you can phone 1800 001 241 if outside Hobart.
