## EMPOWERMENT

We believe in building strength through individual and collective empowerment. Our commitment to solidarity, advocacy, and positive leadership encourages each member to find their voice, assert their rights, and recognise their worth.

## UNIONISM

We value the principles of unionism - solidarity, collectivism and advocacy - as a positive force in our society.

## HONESTY

We stand for honesty, transparency, and a culture defined by trust, respect and credibility.

## EQUITY

We strive for fairness, social justice and equality in the provision of our services for members and students and do not discriminate.

## RESPECT

We treat others with respect and empathy, apply active listening and acknowledge the feelings and opinions of others.

## INTEGRITY

We conduct ourselves in a professional manner with high ethical standards, honour and pride.
